

INTERNATIONAL SALES TAX REFUND

- Celebrating More Than 25 Years in North America -

DOING BUSINESS ABROAD? GET YOUR VAT BACK!

Refunds of Value Added Tax (VAT) paid on your business expenses in about 30 countries worldwide

Whether your company's professional activities include travel, trade shows, business meetings, conventions or other global interests, **INSATAX** can make your business more profitable.

Most of your foreign business expenses include up to **27% VAT, TVA, IVA, GST, BTW, MOMS, or MwSt** (sales tax, as referred to in different countries). Filing a VAT refund claim may allow your company to **recover those costs**.

What do you have to do? Send your original invoices to **INSATAX** by courier, keeping copies for your files (the originals will be returned after processing). We do the paperwork, deal with the foreign tax authorities on your behalf, and **you receive the refund**.

What is the cost? Our fee is **19% of the recovered tax**. There is **no down payment or retainer fee**. There are **no hidden costs**. If we do not succeed, you do not owe us anything.

INSATAX, owned and managed by European accountants is based in North America and has specialized in the recovery of VAT for businesses worldwide since 1991.

For more information, visit **www.insatax.com**, email: **vatinfo@insatax.com** or call **(905) 332-4777**.
