

## Driving restrictions, Goods transport Belarus

### Temporary Summer Restrictions

On 9 June, the [Ministry of Transport of Belarus](#) introduced temporary restrictions on axle loads of vehicles operating on public roads **from 1 July to 20 September**. The provision aims at ensuring safety on highways when **daytime temperature exceeds 25°C**. Therefore, the maximum permissible axle load for vehicles running on asphalt concrete pavement will be **6 tonnes**. The restriction will apply **from 11:00 to 20:00 inclusive**.

The provision does not apply to the following cases:

- sections of toll roads;
- M-14 highway Second ring road around the city of Minsk;
- section from km 0 to km 14.7 of the highway R-80 Sloboda - Papernya;
- roads on which drivers are required to transit through the territory of the Republic of Belarus for vehicles intended for international road transport, according to the list in accordance with Appendix 1 to the Resolution of the Council of Ministers of the Republic of Belarus of 25 March 2020 No. 171 «On measures to prevent the importation and spread of infection caused by the coronavirus COVID-19».
